Reflections by Pastor Keith

It is May and plants are growing! The Flint Hills are greening up. Trees are leafing out. Irises are blooming. It is a wonderful time of the year!

Not only is nature displaying its beauty all around us, nature is also seeking to teach us about God and our lives.

Jesus frequently used images from nature to illustrate what life with God is like - he talked about the lilies of the field, the seed that grows by itself, the four types of soil, the growth of the mustard seed, the tree and its fruit, the laws of sowing and reaping, the vine and the branches.

In Matthew 6, Jesus says, *“See the lilies of the field, how they grow.”* The word “see,” means more than simply look at or admire. The Greek word means “learn,” “study,” or “research” and to do so with intensity. What is it that we are to intensely study? Jesus says, *“see how they grow.”* He wants us to look at plants and learn about life and growth and even about God.

So let's start with the roots. A good root system is essential for a healthy plant. Without good roots, a plant will die. Roots absorb water and nutrients from

the ground. When it rains the roots of plants absorb the water and send life-giving water to the plant.

Jesus said, *“I am the living water.”* We need the living water of Jesus! That's why the Bible says, *“As you therefore have received Christ Jesus the Lord, continue to live your lives in him, rooted and built up in him.”* (Colossians 2:6-7)

It is Jesus who provides life giving water for us. It is Jesus who can make us truly alive - alive to God, alive to ourselves, alive to other people. It is Jesus who can give us life that is truly worth living. We need to sink our roots deep into Christ where they can absorb the life-giving water that he provides.

Roots are also essential because they anchor plants to the ground. That's important in the face of strong Kansas winds. Without a strong root system, plants can be uprooted and blown away.

In Ephesians 4, the Bible, says *“We must no longer be children, tossed to and fro and blown about by every wind of doctrine.”*

Everyday we are inundated with information. We are exposed to many different teachings and

philosophies about life. It is easy to get turned around, to get mixed up, to be blown away. And that's exactly what will happen if we don't have a strong root system.

Now a strong root system doesn't just automatically appear. We are not born with it. And we don't get it watching TV or searching the internet. It comes from Jesus. Only Jesus can give us the foundation, the stability, the strength, the endurance to withstand the violent winds which can uproot our lives.

"I am the vine, you are the branches," said Jesus. When we are connected to Christ, we are connected to the tree of life and our lives are anchored and grounded in that which cannot be blown away. When we are connected to Christ, we can thrive and prosper and lead healthy and productive lives.

Sink your roots deep into Christ. For it is here, in God's Word, that our roots find the rich soil which is filled with life-giving nutrients. It is here, at God's Table, that our roots are watered and fed. It is here, among other Christians, that our roots find strength and stability. Our lives need to be rooted in Christ. We need to be connected to and supported by Christ and the Body of Christ.

Plants teach us the value of roots. God's Word teaches us the value of being rooted in Christ!

Yours in Christ,
Pastor Keith

The Festival of Pentecost

We will celebrate the Festival of Pentecost on Sunday, May 23. Pentecost celebrates the coming of the Holy Spirit and the beginning of the church's ministry. The color of the day is red, symbolizing the fire

of the Holy Spirit. Worshipers are invited to wear red for this festive occasion.

The church's worship revolves around three major festivals: Christmas, Easter, and Pentecost. While Pentecost doesn't receive as much "hype" as Christmas and Easter, it is equally important and equally necessary. The gift of the Holy Spirit is essential for a vibrant Christian faith and the ministry of the church (the followers of Jesus). On Pentecost we worship God for the gift of the Holy Spirit and pray that God will continue to pour out the Spirit of Christ upon us and the church throughout the world.

Words of Wisdom

Jesus said, "I will ask the Father, and he will give you another Advocate, to be with you forever. This is the Spirit of Truth. . . The Advocate, the Holy Spirit, whom the Father will send in my name, will teach you everything, and remind you of all that I have said to you." John 14:16, 26

O God, living Truth,
make me one with you in perfect love.
Without you
all that I read or hear or see wears me out..
In you
is all I will or can desire.
Let all teachers be silent before you;
let the whole creation be quiet,
so that you alone, O Lord,
may speak to me.
The more I am united with you,
the more I can understand,
for from you, O Lord,
I receive light and understanding.

Thomas a' Kempis
from *Imitation of Christ*

"As you therefore have received Christ Jesus the Lord, continue to live your lives in him, rooted and built up in him and established in the faith, just as you were taught, abounding in thanksgiving."
Colossians 2:6-7

Children 3 years old (potty trained) - 6th grade are invited to participate in this year's "Rocky Railway". Registration is underway at the following: <https://vbspro.events/p/walsburg2021>.

This year's VBS is a wonderful way to help children explore God's Word in new ways and learn that they can trust Jesus through all of the twists and turns of life.

There are many ways that you can be involved including teaching, teaching helpers, crafts, snacks, music, leading opening/closing worship, setup, last day cleanup, outdoor activities, etc. Donations of supplies and/or cash are always welcome. A list of needed supplies/food items will be posted in the Narthex by mid-May.

Life together

Invite children of your family, friends, and neighbors! Everyone is welcome!

Please pray for all those planning and attending this year's VBS that they may remain safe from harm and that they may know that they can always trust Jesus through all of the twists and turns of VBS and of life!
